

BARGAINING REPORT #3

Bell Canada

Communication Sales Employees

Sisters and Brothers,

Negotiations continued this week aimed at reaching a collective agreement that is fair and acceptable to our members.

We have now tabled our demands formally to the Company.

We have now completed discussions on non-monetary demands and have now moved onto those demands that are monetary.

Your bargaining committee continues to move forward with the mandate given to us by our members.

Negotiations will continue next week and we will send updates to your local.

In solidarity,
